ACTIVITIES

SPACE & BEYOND:

Campers design and launch high flying solid fuel rockets that soar! They see them hit the clouds and parachute back to earth!

RINGOES 500!:

Encounter the thrill of victory. Campers race self-designed & constructed high speed miniature dragsters in head-to-head competition. Always a show stopper.

ELECTRONICS:

Middle School campers will build a battery operated electronic device that offers them to explore the world of electronics. They'll encounter the basics of electricity while developing this exciting and dynamic project.

AND MORE...

T-Recs' Counselors are busy designing and developing new activities as they get ready for the 2006 T-Recs Season. We will offer your child an exciting, educational, and rewarding technology camp experience.

*All campers experience all age appropriate activities over the course of the camp!
Registration fee includes all materials, supplies, snacks, and juice. Lunch is not included.
T-Recs is a proud sponsor of AVLBL Baseball/Softball*
